California Real Estate Principles - Walt Huber

Summary: Covers all material in Real Estate Principles classes with special emphasis on California real estate laws. Very clear and simple language, easy-to-read format with photographs, charts, and graphs. Includes glossary and index. Suitable for consumers, students, and teachers wishing information about personal real estate transactions. This textbook is designed to fulfill the course requirement necessary to take the California Real Estate Salespersons and Broker's Exams.

ISBN: 978-16-2684-220-5

All rights to this Real Estate textbook are reserved. No part of this text may be reproduced or transmitted in any form, by any means, including electronic or mechanical photocopying, recording, or storing in any retrieval system, or otherwise used without the prior written permission of this publisher.

Printed in Marina del Rey, California

This publication is designed to provide accurate and authoritative information in regard to the subject matter covered. It is sold with the understanding that the publisher is not engaged in rendering legal or other professional services. If legal or other expert assistance is required, the services of a competent professional person should be sought. All advice is given as purely anecdotal, and reflects the opinions and experiences of the authors, but is not held out as standard operating procedure. Practice varies throughout the state and brokerage by brokerage.
